

CHAIN LINK FENCE ON RETAINING WALL

Description

This work shall consist of furnishing and installing a chain link fence on the top of a cement concrete retaining wall. The fence shall conform to the applicable portions of Section 8-12 and the details shown in the proposal. The fence shall be attached to the retaining wall with resin bonded anchors described elsewhere in the Special Provisions.

Measurement

Chain link fence on retaining wall will be measured by the linear foot of installed fence.

Payment

Payment will be made in accordance with Section 1-04.1 of the Standard Specifications for the following bid item in the proposal.

“Chain Link Fence on Retaining Wall” per linear foot.
